Latest news on:

FAMILY

GOSPEL FREEDOM

A true understanding of tolerance and the roots of our democratic freedoms is essential to gospel liberty. The Ashers case has given fresh profile to issues of conscience. We will discuss the implications of the judgment.

GENDER IDEOLOGY

Radical gender ideology is being pushed by the media and the Government plans to make it easier to change legal sex. At the same time, transgenderism is being promoted in schools. We will consider how Christians should respond.
